IT SUPPORT SPECIALIST

PROFESSIONAL SUMMARY

BS Information Technology graduate (STI College, 2026) with hands-on experience in technical support, hardware/software troubleshooting, and network maintenance gained through an IT internship at Medrozo IT Solutions. Skilled in diagnosing end-user issues, supporting network operations, and maintaining system uptime. Seeking to bring reliable, detail-oriented technical support to the IT Support Specialist role.

CORE SKILLS

- Technical Support: hardware troubleshooting, software troubleshooting, end-user support, system maintenance
- Networking: network troubleshooting, network operations, fiber optic cable splicing
- Web Development: HTML, CSS, JavaScript, React
- Programming & Databases: Python, PHP, MySQL, database management

WORK EXPERIENCE

IT Intern — Medrozo IT Solutions

Cagayan de Oro City

- Provided technical support for hardware and software issues, resolving end-user computer problems through structured troubleshooting.
- Supported web development activities using HTML, CSS, and JavaScript, contributing to internal web-based tools.
- Performed fiber optic cable splicing to support reliable network connectivity for client installations.
- Assisted with network operations and system maintenance, helping keep systems running smoothly and minimizing downtime.
